The image displays two versions of a LinkedIn profile side-by-side, illustrating a 'Before' and 'After' scenario. A large black arrow points from the original profile on the left to the revamped profile on the right.

Before: The original LinkedIn profile for Anmol Sharma. It features a purple circular profile picture, a light blue header background with a white mountain graphic, and the name 'N M O L S H A R M A' in bold capital letters. Below the header, the profile details are listed: 'Anmol Sharma ✅ 1st', 'Student at Lovely Professional University', 'Palampur, Himachal Pradesh, India - Contact info', '453 followers - 399 connections', and a note about mutual connections with 'Rakshit sharma, Naisargik Awasthi, and 9 other mutual connections'. At the bottom are three buttons: 'Message', 'Save in Sales Navigator', and 'More'.

After: The revamped LinkedIn profile for Anmol Sharma. This version is much more visually appealing and professional. It includes a larger, high-quality circular profile picture. The header is a dark blue color with the name 'ANMOL SHARMA' in large, bold, white capital letters. Below the name, it says 'UI/UX Designer | Video Editor'. A sub-headline reads 'Designing clean, user-first digital experiences & engaging visual content'. To the right of the sub-headline is a video thumbnail showing Anmol speaking into a microphone. Below the video thumbnail are icons for Pr, Ae, Fx, Cn, and In. A 'LET'S CONNECT' button is also present. The profile details are identical to the 'Before' version. The bottom of the profile page includes the same three interaction buttons: 'Message', 'Save in Sales Navigator', and 'More'.

Before:

- About**
- Cybersecurity Student | Networking & OS | SQL | UI/UX

After:

- About**
- I'm a 3rd-year Cybersecurity student at Lovely Professional University with a strong focus on UI/UX design, video editing, and visual communication.
- While my academic background is rooted in cybersecurity, my primary interest lies in designing digital experiences that are not only visually engaging but also intuitive, functional, and secure.
- I work across:
 - UI/UX Design – user flows, wireframes, prototyping, clean interfaces
 - Video Editing – short-form videos, reels, promotional & brand content
 - Graphic Design – social media creatives, banners, visual assets
 - Cybersecurity fundamentals – networking, OS, system-level understanding
- My approach to design is practical and user-first. I believe good design should solve problems, guide users effortlessly, and scale smoothly.
- Currently open to:
 - UI/UX internships
 - Freelance UI/UX & video editing projects
 - Design collaborations
 - Learning-driven opportunities
